MEDICATION ADMINISTRATION INFORMTION

Parent/ Guardian: If your child will or may need essential or emergency medication while on an extended field trip, please complete page 3 (for each medication). Medication includes prescription and non-prescription (over-the-counter) medications. Students are not allowed to carry their own medication except as provided by district policy.

FDA approved over-the-counter and prescription medications must be provided by the student's parent or legal guardian. Please deliver any medication in its original factory or pharmacy-labeled container in a plastic zip bag with the child's name on the outside to school personnel before the trip. Do not mix medications. Each medication must be separately packaged in its original container. For student safety, ALL medications will be kept and their use supervised by trained 4J school staff or registered nurse of an approved 4J provider/ contractor.

Non-prescription sunscreen may be administered by school personnel without written authorization from parents. If you have an objection to the administration of sunscreen, please note it on this form.

Nonprescription medications, including vitamins, supplements or herbal remedies not approved by the FDA may only be dispensed to students if it is accompanied by a written order from the student's prescriber that includes the name of the student, name of the medication, dosage, method of administration, frequency of administration, and a statement that the medication must be administered while the student is in school, any other special instructions, and the signature of the prescriber.

Health care provider's name is:_____and phone is _____.

I am the parent or legal guardian of the student listed above, and I give permission for 4J School Personnel to administer the medication listed above to my child. This authorization is valid only for the duration of the above-named field trip. For purposes of medication administration, the term "4J School Personnel" includes an authorized 4J service provider, such as a third party outdoor school program provider, designated by the principal to administer medication and trained as provided by district rule. I authorize 4J School Personnel to exchange information, as necessary, between appropriate school personnel, the school nurse, contracted third-party service provider and/or my child's health care provider in the interest of my child's safety and well-being on the trip. *I understand I am responsible to provide this medication in the* ***most current pharmacy container with accurate label*** *or* ***manufactured packaging*** *and maintain the supply as needed. I understand I am responsible to notify the school in writing of any changes.*
